

DLD Approval Criteria C3. Assessments selected and methods used for submitting assessments appropriate for the online learning environment. From Demo Class: Biology (SCI201)

1. **Assignments that assess understanding can be word processed manually by the student, then uploaded into the Learning Management System (Location: Unit 4 > Day D) Appropriate Use of an LMS to facilitate the transfer of work from a student to instructor in online learning.**

The screenshot displays two sections of an LMS interface:

- 1. Assignment Information:** A table with the following details:
 - Name: Stratigraphy Assignment
 - Instructions: After completing the activity, submit this assignment.
 - Due Date: December 8, 2011 7:00:00 PM PST
 - Points Possible: 10
 - Assignment Files: U4_D_Straigraphyactivity (2).rtf ([U4_D_Straigraphyactivity \(2\).rtf](#))
- 2. Assignment Materials:** A submission area with a rich text editor. The editor toolbar includes options for font style (Normal), size (3), font face (Arial), bold, italic, underline, text color (abc), background color, bulleted list, numbered list, link, unlink, insert image, insert table, and source code. Below the editor is a 'Path: body' field and a 'Browse My Computer' button.

2. **Auto-Scored quizzes built-in to the LMS (Location: Unit 3 > Day J) Appropriate use of technology built into online learning, to accept, auto-score, and provide feedback on an assessment.**

The screenshot shows a quiz interface with the following elements:

- Header:** 'Take Test: Unit 3- Day J: QUIZ' with a clock icon.
- Description:** A section for test details.
- Instructions:** 'Multiple Attempts Not allowed. This Test can only be taken once.' and 'Force Completion This Test can be saved and resumed later.'
- Test/Survey Status:** A dropdown menu.
- Buttons:** 'Save All Answers' and 'Save and Submit'.
- Question 1:** 'When using the scientific name for an organism, the first and last name of the organism stand for'. It has a '1 points' label and a 'Save Answer' button. The options are:
 - A. kingdom and phylum
 - B. Family and Species
 - C. Genus and Species
 - D. Family and genus
- Question 2:** 'Which level of organization is most specific?'. It has a '1 points' label and a 'Save Answer' button. The options are:
 - A. Phylum
 - B. Genus
 - C. Kingdom

DLD Approval Criteria C3. Assessments selected and methods used for submitting assessments appropriate for the online learning environment. From Demo Class: Biology (SCI201)

- A *PROCTORED* test that requires a PASSWORD before the student can attempt it.**
The password requirement allows the instructor to provide it to the proctor, who can enter it, and the student can complete the assessment while being supervised. (location: SCI201 Learning Units > CBA-1)
Appropriate method to secure a testing situation in online learning.

Enter Password: CBA-1

Cancel
Submit

1. Enter Password: CBA-1

Enter the Password to take the Test.

Password

Tue Mar 13 20:15:15 PDT 2012

2. Submit

Cancel
Submit

- Discussion Boards can also serve as areas for students to post assessments for public viewing and classmate comments: (Discussion Boards > Topic U3- Reproductive Strategies) . Appropriate use of technology in the online learning world as it facilitates peer review and comments from classmates.**
